

The Best Is Always Superior™

Products That Qualify For The Energy Tax Credit

Product Information Sheet

Superior's **Premium Vinyl Windows and Doors** are NFRC rated for thermal performance and meet or exceed ENERGY STAR® criteria for energy efficiency with Climate Shield™.

Qualifying products must be purchased with Climate Shield3™ and Argon gas.

Both **SHGC** and **U-Factor** must be .30 or lower to qualify.

				SHGC	U-Factor
				Climate Shield / Argon	Climate Shield / Argon
	Series	Config.	Grids
